АНГЛИЙСКИЙ ЯЗЫК

10 КЛАСС

## Do you agree with these statements?

---

1. Environmental problem isn't the most burning problem of today.
2. We all shouldn't work together to safeguard our environment.
3. Nuclear weapons are also course of the pollution.
4. People are beginning to realize that environmental problems are somebody else's.
5. Such organization as "Green Peace" cares for economy in countries.

The problematic questions for each group:  
What measures should be taken to improve the environment...

---

<b>GROUP 1</b>	<b>GROUP 2</b>	<b>GROUP 3</b>
On your personal level	In your country	At the global level

Each group should create it's own eco-poster!

You can use these words in your poster (if you find them useful)

environmental problems

danger

pollution

volunteer

charity

acid rain

atmosphere

carbon dioxide

dump

flooding

habitat

emissions

toxic substance

# Steps:

---

1. Choose the environmental problems on the level.
2. Think about how can you solve them.
3. Find the material: pictures, statements, articles
4. Make your position clear
5. Make a poster to prove your position
6. Present your poster
